Wildwood, FL -

Do you love your library? Show us just how much in the Sumter County Library System's 1st Annual National Library Week Photography Contest!

In celebration of National Library Week, April 10th – 16th, the Sumter County Library System is hosting a photography contest. There will be two categories: Adult (18 and over) and Youth (under 18). The winner in each category will receive a copy of their photo professionally matted and framed. The winning photos will also become a traveling exhibit throughout all of the libraries and then presented to the winners to keep.

The theme is "Create Your Own Story @ Your Library". Both digital and hard copies will be accepted. A complete list of rules and entry forms are available at each library location. Stop by to pick them up or call your local library for more information!
